WORLD MISSION SUNDAY 2024

This is the day of the Pope's annual appeal for financial support towards the life-giving work of overseas missionaries. It falls on the second last Sunday in October and is a universal Church collection which takes place in every single parish where the Church is present. This includes not only Ireland & Europe, but also in poorer parishes in developing countries. It is a moment of universal solidarity when each member of the Church family, regardless of location or background, play their part in supporting each other.

All offerings and donations made for World Mission Sunday become part of the Pope's Universal Solidarity Fund. This fund is a lifeline for struggling missionaries and the communities they serve across Africa, Asia and Latin America, where over 1,100 mission dioceses are found. As these dioceses form and grow, so do their needs. On top of this, mission dioceses are often in remote areas devastated by war and natural disasters, or where suppressed communities are just opening up to the life-saving message of Jesus Christ. World Mission Sunday offers young dioceses the financial and spiritual assistance they need to help their people to survive and thrive.

Missio Ireland has a responsibility to ensure that all contributions are distributed justly & transparently. World Mission Sunday funding is given directly from Ireland to overseas bishops and missionary congregations. They then provide a report and updates on the progression of their project. Missio Ireland is responsible for coordinating World Mission Sunday.

We seek to help the faithful to understand and respond to the call of mission. Because of your kindness, we can support overseas missionaries, serving in some of the most impoverished areas of the world, through their challenges, struggles and hardships. Donate via parish envelopes or at www.missio.ie or call Missio Ireland on 01-4972035. **"Some give to the Missions by going; others go to the missions by giving."**
